**2017 Cornhole Tournament**  
**Cornhole Contest Rules**

OFFICE USE ONLY: Date received _____
---

- Flip a coin to see which team throws first.
- All teams must throw from behind the designated throwing line. If you step over the line, the opposing team may call a foot foul and request you to re-throw.
- You get 3 points for putting the bag through the hole and 1 point for any bag on the board, but not in the hole. Note: the bag cannot be touching the ground.
- Points are awarded after each team has thrown their 4 bags and the net score is totaled. The number of awarded points is the difference between the scores of the two teams from that round. (e.g. if Team A scores 5 points and Team B scores 3 points, Team A is awarded 2 points).
- The team that scores the most points in a round throws first the next round. If no points are scored (net zero), then the team previously throwing continues to throw until points are established.
- Play will continue until someone reaches, or exceeds, 21 points after a round of throwing or when time is up at 15-minutes. (Time will be signaled.). The first team to reach points, or the team who has the most points after 15 minutes, will be the winning team. If both teams exceed 21 points in a round then the team with the most points wins. If both teams tie at or above 21 points then the team who scores the most points during the next round of throwing will be the winning team.
- Tournament rounds 1 and 2 will be timed rounds consisting of 15 minutes. The remaining rounds will not be timed and the winning team, based upon the rules above, will be the winner.
- The remaining rules will be regulated using the American Cornhole Association Rules.
